When Baby Has The Croup

When a mother is awakened from sound sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. WAS SON OF O. B. GRIFFIN

Frankfort, Ky., Oct. 1.—James Griffin, a Kentuckian, chose a unique but effective means of ending his life on a lonely river bank in faraway British Columbia, according to a letter received by Gov. McCreary from Vice Consul G. O. Woodward, of Vancouver.

Mr. Woodward reports that Griffin committed suicide by lying down and exploding dynamite on his chest. He was found along Quesselm river. Where in Kentucky Griffin came from Mr. Woodward could not learn and reported the death in the hope of locating the man's relatives. He said Griffin was about 55 years old, 5 feet 8 inches tall and weighed about 175 pounds, having dark hair and mustache, slightly tinged with gray.

Jas. Griffin was a son of O. B. Griffin and a brother of Hugh Griffin, of this city, and had been employed in a Gold Mines in British Columbia for some time. He visited here about four years ago.

Society People Thrown Into
River—Don Life Belts
Before Craft Sinks

Cloverport, Ky., Oct. 3.—Seven persons, composing a boating party, narrowly escaped drowning late this afternoon when the launch in which they were riding struck a snag and sank in the Ohio River. The boat went down five minutes after the impact, and time barely was allowed the occupants of the craft to don life preservers. Cries for help were heard on the river bank and row boats were sent to the rescue. All were picked up uninjured. The boat, the Mary Jane, was about thirty feet long and owned by Wm. Tate, of Cloverport. Those composing the party, all of whom are members of Cloverport society, are: Mr. and Mrs. William Tate, Charles White and Fred Fraige, Misses Virginia McGavock and Irene Jaboe, of Cloverport, and Elizabeth Skillman, of Morgantown.

M'CHESNEY'S DEFEAT DUE TO FRAUD

SAYS DR. N. A. PALMER IN A
SPEECH BEFORE THE METH-
ODIST CONFERENCE AT
HARTFORD, KY.

FRANKFORT MAN BEATEN AT THE ELEVENTH HOUR

Hartford, Ky., October 2.—That Harry V. McChesney, of Frankfort, Statewide Prohibition advocate, would have been the Democratic nominee for Governor had he been accorded an honest count as the recent primaries, was the sensational assertion made today by Dr. N. A. Palmer, superintendent of the Kentucky Anti-Saloon League. Dr. Palmer made the statement before members of the Louisville Conference of the M. E. Church, South, now in session here. The speaker charged that the Democratic primary was debauched, and that he personally knew of participation in the primary by voters of a different party affiliation. Persons who have interested themselves in the claims made by McChesney adherents that the Frankfort man would have won the nomination had he been given a fair count, profess to see in Dr. Palmer's remarks confirmation of the rumors heard since the primary that the liquor interests in Kentucky spent almost \$350,000 to defeat McChesney. There is much indignation.

W. C. T. U. Indorsed

The report of the Committee on Temperance was presented by the chairman, Rev. J. R. Savage, of Owensboro. The report says in part: "The work of redeeming the State from rum's rule of ruin is as delicate and divine as the work of leading souls to Christ and requires the same divine guidance and power."

Indorsement is then given the work done during the past year by the Women's Christian Temperance Union, by the Anti-Saloon League, and the efforts put forth by the superintendent, Dr. N. A. Palmer, of Louisville. The report says: "The Board of Trustees, the Headquarters Committee and Dr. N. A. Palmer, of the Anti-Saloon League, have been confronted this year with a most complex and trying situation, but they dealt with it in a masterful manner."

Dr. Palmer was invited to address the conference and was granted ten minutes in which to speak. He said: "I do not know if you ministers take the right view of results in the late Democratic primary. I want to tell you that there were 49,188 more votes cast for Governor than for any other State office. In this fact, I think, may be found the solution of the matter. No one who has thought rightly can differ from me in my contention that an honest count and an honest vote would have nominated Harry V. McChesney, the man that made State-wide prohibition look like a certainty."

Money and Whisky Used

"I think there is no question about this—that on Saturday before the primary, if a vote had been taken, McChesney would have been nominated. Two weeks after the primary I sent out letters to representative men all over the State and asked them what caused the slump from McChesney. If all of the men to whom I addressed letters had gotten together before receiving my letters, their answers could not have been more unanimous than when they assured me that for two or three days preceding the primary there was general debauchery with money and whiskey."

"I know personally of one precinct in which forty voters who were not Democrats voted for the successful candidate in the primary."

Paxtine
A Soluble Antiseptic Powder to be dissolved in water as needed For Douches

In the local treatment of woman's ills, such as leucorrhoea and inflammation, hot douches of Paxtine are very efficacious. No woman who has ever used medicated douches will fail to appreciate the clean and healthy condition Paxtine produces and the prompt relief from soreness and discomfort which follows its use. This is because Paxtine possesses superior cleansing, disinfecting and healing properties.

For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been relieved say it is "worth its weight in gold." At drug stores. See large box or by mail. Sample free. The Paxton Toilet Co., Boston, Mass.

CLASSIFIED TAXES.

Whenever there is any talk about a lower rate of taxes on intangible personal property a great howl goes up from the owners of tangible property, who affect to believe it a gross injustice. Intangible personal property consists mostly of Stocks, Bonds, Notes, Cash, Accounts, Mortgages, and other such evidences of enterprise, all of which are limited by law or custom to a certain percent of earnings. No other kind of property has the limits of its profits fixed by Law. A man may lawfully earn all he can in his store, his shop or on his farm. He may charge what he pleases for his services, for his manufactured wares, for his cattle, his hogs and his corn, wheat and tobacco, but when he comes to lending money, which the investment in Securities includes, he is strictly limited to a gross income never exceeding six per cent, and is it fair to exact half or more of his income for taxes when others get off with perhaps one-tenth of their earnings from other kinds of invested property, farming, professions and business? The argument is all in favor of the money lender, as his capital is essential to all industrial improvement and cheap money greases the wheels of progress and prosperity.

TAX AMENDMENT

TO BE VOTED ON AT THE NOVEMBER ELECTION.

The Tax Amendment to be again voted on at the November Election will, if adopted, authorize the Legislature to enact a new Tax Law that will subject the enormous amount of personal property in the shape of Stocks, Bonds, Notes and accounts now escaping taxation to a fair share of the burden and reduce the taxes on Land and Improvements. Every taxpayer should vote for it, as any Law enacted under its provisions must be ratified by the people before it can be enforced and this guarantees a fair Law.

The Amendment.

"The General Assembly shall provide by law an annual tax, which, with other resources, shall be sufficient to defray the estimated expenses of the Commonwealth for each fiscal year. Taxes shall be levied and collected for public purposes only and shall be uniform upon all property of the same class subject to taxation within the territorial limits of the authority levying the tax; and all taxes shall be levied and collected by general laws.

"The General Assembly shall have power to divide property into classes and to determine what class or classes of property shall be subject to local taxation. Bonds of the State and of Counties, municipalities, taxing and school districts shall not be subject to taxation.

"Any law passed or enacted by the General Assembly pursuant to the provisions of or under this amendment or amended section of the constitution, classifying property and providing a lower rate of taxation on personal property, tangible or intangible, than that upon real estate, shall be subject to the referendum power of the people."

This amendment was ratified by an enormous majority at the election in 1912, but was pronounced invalid by the Court of Appeals because it had been advertised only sixty, instead of ninety, days as the Constitution provides.

It has been advertised in legal form and in time for this year's election and should receive a larger majority than before, as Tax paying voters have had time to study the question and discover the faults in the present Tax Law.

REPORT OF WISCONSIN TAX COMMISSION.

"Justice in taxation can only be attained by strict compliance with the law. This is proven by universal experience. There is no other way. With rare exceptions, when an assessor violates the law and sets up a standard of his own he either inflicts an injury upon some individual taxpayer or else he does injustice to every other taxpayer in the State. As a general rule, every step he takes outside the straight and narrow path provided by law leads to greater and more glaring inequalities, and in many cases * * * degenerates into a mere travesty on justice."

FROM REPORT OF KENTUCKY TAX COMMISSION, 1908.

"There are two reasons why the general property tax has failed in operation. First, because under modern conditions it cannot be enforced effectively. Secondly, because of a more or less conscious recognition of the fact that strict enforcement would result in a still greater injustice than now prevails."

"The attempt to tax all property at a uniform standard of valuation and at the same rate, regardless of its special characteristics, earning power or the benefits derived from the expenditures of government, violates the primary rules of just taxation and offends the natural sense of justice."

BIG CIRCUS

Coming This Way Soon

The Barnum and Bailey Greatest Show on Earth will exhibit at Madisonville on Saturday, Oct. 9, and this good news is being heralded everywhere by the many agents of this, the biggest and foremost amusement institution of the world. The Barnum and Bailey Circus has always been the largest that travels and this season the management has found it necessary to add many more cars to their trains in order to provide for the great equipment. It requires 85 double length railroad cars to transport the big show, 1280 people are employed, there are 700 horses, 40 elephants and a menagerie of 110 cages, 480 world famed artists take part in the greatest circus program this world has ever known.

A fitting introduction to the wonderful performance this year, is the presentation of the new, spectacular pageant, "Lalla Rookh," in which nearly 1000 characters take part.

In the circus proper, which is presented in three rings, four stages, the hippodrome and in the dome of the dome of the largest tent ever erected, 480 performers from every nation in the world take part and present a vast array of foreign features entirely new to America. A wonderful trained animal exhibition is given by the Marvellous War Elephants, Pallenberg's Wonder Bears, Madam Bradna's Angel Horses, Thaler's Dogs, Ponies and Monkeys, and the Barnum and Bailey Statue Horses.

Great interest is already being shown in this neighborhood and great crowds will no doubt go to Madisonville Saturday, Oct. 9, for the biggest and most enjoyable holiday of the year. Everyone is advised to get an early start in order to be there in time for the parade which starts promptly at 10 A. M., and which is said to eclipse anything of its kind ever before attempted in the history of circus business.

MOTHER! YOUR CHILD IS CROSS. FEVERISH FROM CONSTIPATION

If tongue is coated, breath bad, stomach sour, clean liver and bowels

Give 'California (Syrup of Figs)' at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of 'California Syrup of Figs,' and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50 cent bottle of "California Syrup of Figs," then see that it is made by "California Fig Syrup Co."

WOMAN REFUSES OPERATION

Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Louisville, Ky.—"I think if more suffering women would take Lydia E. Pinkham's Vegetable Compound they would enjoy better health. I suffered from a female trouble, and the doctors decided I had a tumorous growth and would have to be operated upon, but I refused as I do not believe in operations. I had fainting spells, bloated, and could hardly stand the pain in my left side. My husband insisted that I try Lydia E. Pinkham's Vegetable Compound, and I am so thankful I did, for I am now a well woman. I sleep better, do all my housework and take long walks. I never fail to praise Lydia E. Pinkham's Vegetable Compound for my good health."—Mrs. J. M. Reson, 1900 West Broadway, Louisville, Ky.]

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner? If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

Write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

THE RICHES OWNED BY KENTUCKY FARMERS

The farmer to-day represents a new
generation of intelligent, independent,
thrifty people with money and inclina-
tion to be progressive. The farm prod-
ucts of this year bring to the farmers and
planters probably five billion dollars,
which would prove that they could corner
the money market of this country if they
got together and used it as one man.
Strength, strenuousness and the future
health of the American people depend
upon our country folks. As a rule, the
country folk are healthier than those who
live in our crowded cities. Consumption
is a disease of civilization. Life in the
open air and sunshine gives vitality and
health. Nature is the great teacher and
developer of mankind. People have more
faith in a remedy which is taken from
nature, from the vegetable kingdom, than
from any other source. A remedy which
has enjoyed a grand reputation for nearly
half a century is Dr. Pierce's Golden
Medical Discovery, an alterative extract
taken from barks, roots with pure glycer-
ine, without the use of a particle of alcohol
or narcotics. This medicine goes to the
root of disease by imitating nature's
methods of replacing wasted tissue, en-
riching impoverished blood and increas-
ing nerve force. This "Medical Dis-
covery" of Dr. Pierce coaxes the digestive
functions and helps in the assimilation of
food, or rather takes from the food just
the nutriment the blood requires.

The prompt and certain action of Dr.
Pierce's Golden Medical Discovery in
driving all harmful germs and impurities
from the blood, sets in motion the repair
process which works actively on the
diseased membrane where catarrh flour-
ishes unchecked or where the skin gives
warning of the bad blood beneath by
showing pimples and boils, also the skin
clears up and becomes wholesome and
ruddy.

Dr. Pierce's Common Sense Medical
Adviser, cloth-bound, sent free to you on
receipt of three dimes. Address Dr.
Pierce, Invalids' Hotel, Buffalo.

Finding Relief

A back that aches all day and cau-
ses discomfort at night is usually
worse in the morning. Makes you
feel as if you hadn't slept at all.

You can't get rid of kidney back-
ache, until you reach the cause—the
kidneys.

Doan's Kidney Pills are especially
prepared for weakened or disorder-
ed kidneys—been gratefully recom-
mended by thousands.

The following statement proves
the merits of Doan's.

J. T. Pool, Nortonville, Ky., says:
"I had kidney trouble for about ten
years. My back ached at night and
I was lame in the morning. I tried
easily, was nervous and had head-
aches and dizzy spells. My sight
was also affected. The kidney se-
cretions passed too frequently and
contained sediment. Colds always
settled on my kidneys. A few doses
of Doan's Kidney Pills relieved me.
They gave me more benefit than any
other medicine I ever tried."
